PHOTOGRAPHIC INTELLIGENCE MEMORANDUM

LOAS SUPPLY ROUTE

25X1A

This memorandum, for record purpose only, reports the completion of a request by [REDACTED] ORR/CSS, for information concerning the supply route from BIEN DIEN PHU to northeast LAOS.

25X1D

The latest available photography of this area (IGN photography dated [REDACTED] was studied and the results verbally reported to requester. The road west from Bien Dien Phu appears to be narrow, winding, single-lane, dirt road. No evidence of any road building activity at the time of the photography.

413
2-24-64

This memorandum and its accompanying sketch describes a Soviet Locomotive marking shown on the right front side of a locomotive located in CIA Photo #167726.

The photograph has been rectified and the freehand sketch below presents the general appearance of the rectified marking. It is believed that the light areas in the main body of the plate contain stamped data such as date of mfg. and other similar material.
